## Hot Apple Cider

- 6 cups apple cider
- 1/4 cup real maple syrup
- 2 cinnamon sticks
- 6 whole cloves
- 6 whole allspice berries
- 1 orange peel, cut into strips
- 1 lemon peel, cut into strips

Pour apple cider and maple syrup into a large stainless steel saucepan. Place cinnamon sticks, cloves, allspice berries, orange peel, and lemon peel in the center of a square of washed cheesecloth; fold up the sides of the cheesecloth to enclose the bundle, then tie it up with a length of kitchen string. Drop the spice bundle into the cider mixture. Place the saucepan over moderate heat and cook until cider is very hot but not boiling, about 5 to 10 minutes. Remove from heat. Discard the spice bundle. Ladle cider into mugs and serve.
